

## Benefits & Advantages

## TECHNOLOGY MADE SIMPLE

We continue to add new and more robust features to VesselPro™ to better engage with our clients, while ensuring safe, secure access. With VesselPro™, our clients have access to Vessel Response Plans and regulatory information 24/7 from anywhere in the world.

VesselPro™ offers many advantages and benefits, including:

- Streamlining the plan maintenance process for faster, more accurate plan updates, as well as ease of vessel compliance for U.S. calls.
- Facilitating emergency response by providing quick and accurate access to the most up-to-date Vessel Response Plan information for responders in the office or in the field.
- treamlines the plan maintenance process for faster and more accurate plan updates, getting your vessels in compliance for US calls as quickly as possible.
- Print/download a PDF copy of your entire plan or only the most recently updated plan sections.

In addition, the VesselPro™ Dashboard and Resource Library provides easy access to:

- Service Requests – Service Request Tracking (SRT) updates
- Announcements – Most recent news from Witt O’Brien’s
- Compliance Calendar – Reminders for plan resubmissions and annual reviews
- Plans – Access to your five most recently updated plans
- Circulars – Newest and archived Witt O’Brien’s circulars
- IMT TTX – All related documentation and presentations from IMT TTX events
- Guides + Checklists – Witt O’Brien’s Masters Guides and Regulatory Checklists

## CONTACT INFORMATION

The screenshot shows the VesselPro dashboard with a navigation bar at the top containing 'Home', 'Document Library', 'Tools', 'About Us', 'Service Request', and 'Search'. Below the navigation bar, there are three main sections:

- Service Requests:** A table with columns for Request #, Request Type, Vessel(s), Status, and Actions. It lists two requests related to 'Company Content Revision'.
- Announcements:** A list of updates including '2021 Masters Guides and Regulatory Compliance Updates' and 'New Circulars Available: Vessel Circular 008-21 (mru) 013-21'.
- Plans:** A table with columns for Name, Client, and Actions. It lists several plan names like 'Sample CAVCP - New Plan' and 'Sample NTVRP - 12345'.

At the bottom of the dashboard, there is a calendar view for July 2021, showing days from Sunday to Saturday.
